

To whom this concerns,

I would like to serve on the ASUMW Senate because I have always enjoyed being a part of a team and working together towards a common goal. I have always enjoyed helping people and want to be a part of a team that makes an impact. I take pride in helping others and making decisions that impact the greater majority with a better outcome.

I have participated in 4-H, FFA, softball, basketball, wrestling, student council, and the National Honor Society. I served on the PCHS student council for all four years, was a part of the National Honor Society for three years, served as an FFA officer for three years with my local chapter, and served as an officer for my 4-H club for five years. I played varsity softball for four years, basketball for 12 years, and wrestled for two years.

I grew up on a ranch in rural Avon, MT, and attended Powell County High School in Deer Lodge, MT graduating as Valedictorian of my class. I grew up working with cattle, horses, dogs, and family. I work on the ranch all year long doing different jobs depending on the season. I am not a stranger to hard work, compromise, or diligence in jobs that must be done. I work hard in everything I do and always strive to be better.

I would be a suitable candidate for the ASUMW Senate because I am involved in my community and want what is better for everyone. I am also a continually active and well-rounded student and citizen. I enjoy being active and working with others to achieve a common goal. I would like a seat on the ASUMW Senate because I can help make a difference and this opportunity would also help me grow as a person and as a leader. Thank you.

Sincerely,

Clara Graveley
