

To whom it may concern,

I am Everitt Mauler, a current senator on ASUMW Senate. I have served as a senator for this last year 2023-2024. My experience with leadership has increased due to this last year and adds to my other leadership positions I have had in the past. In my church I am currently in a leadership position as a counselor over the men. I am an Eagle Scout, this rank in the Boy Scouts of America takes a lot of time and effort to achieve. I also had to take leadership roles to earn this rank. While in these positions I have held and do hold. I have learned to problem solve, delegate, budget, and ask questions to find answers. I have also been a part of organizations that have developed these skills as well as others that attribute to my leadership ability. These organizations include, FFA, rodeo, baseball, basketball, footballs, Horsemanship club, Rodeo club, sales preparation, and ASUMW.

I think that I would make a good senator because I believe that the students should have a voice. I believe that this voice should be able to make a difference in making a change. I feel that my past leadership experiences including being an ASUMW Senator gives me the qualifications to be that voice for the students. I want to be a senator because I want to try to make a difference on this campus. I also want to develop more leadership skills so that I can help more people in my community in the future. Thank you for your consideration for me on ASUMW Senate.
