

Application for student senate.

Kaden RT Olhausen

University of Montana Western, Department of Biology

Hello, my name is Kaden Olhausen. I am a nontraditional Freshman from Anaconda, Montana. I am submitting this application in confidence of my experience being active within a governing body. I was Vice-President of the Jobs for Montana Graduates program within the Montana Youth Challenge Academy where I held the position of XO (Executive Officer. #2 ranked.) for the remainder of the program. I spent the next 10 years gaining real life experiences in various positions of power. For example, I was a leading foreman for a group of men much older than I for Simkins Hallin, a lumber company in Bozeman, MT. I also was team leader for the Nordic spa in Girdwood Alaska which is a part of a multibillion-dollar hotel industry, Alyeska Resort. I believe I have what it takes to properly represent my class and student body because of this experience. I thrive to do great things in my college career and would make sure to put in the effort to listen and provide for the students of Montana Western in any possible way I can. Thank you for the consideration! GO DAWGS!!
